

Only a year late but the eagerly anticipated Euros is well under way, with plenty of goals and surprise results already with France, Portugal, Netherlands and Germany already out and the likes of Czech Republic, Ukraine and Denmark into the last eight. As we progress through the knockout stages, the stakes increase and we hope to see some fantastic games to come, with the final on Sunday 11th July.

In golf, there was a European name that grinded out a result at Torrey Pines, as Spain's Jon Rahm claimed his first major title lifting the US Open trophy and moving to world number 1!

Horse racing provided some exhilarating action throughout June with Royal Ascot, the Oaks and the Derby all providing entertainment. Godolphin's Adayar the standout performance with an emphatic triumph in the Derby, blowing away a very good field including stable companion and the recently crowned Irish Derby winner Hurricane Lane.

July's Key Events

Tennis – Wimbledon 28th June – 11th July

Golf - The Open – 15th – 18th July

Cricket – The Hundred – 21st July – 21st August

Betfair Historical Data Hackathon

We'd like to invite you attend the Betfair Historical Data Hackathon 2021

Date - 20-30th July 2021 – The Historical Data Hackathon will be a 10-day remote event.

Objective - Bring Historical Data to Life!

[Betfair Historical Data](#) has a wide customer audience from hobbyists to data experts. The challenge is to create something that helps these customers take the Betfair Historical Data and enable them to build betting strategies more quickly and easily. How you choose to achieve this is up to you!

Prizes

- **1st place** - 12 months historical data (worth up to £2000) + Betfair merchandise gift box
- **2nd place** - 6 months of historical data (worth up to £1380) + Betfair merchandise gift box
- **3rd place** - Betfair merchandise gift box

To Enter - Email BDP@betfair.com with the subject line – “Betfair Historical Data Hackathon 2021” providing your registered Betfair email address.

Terms and Conditions

- Entries close on Friday 9th July.
- This offer is available to registered Betfair.com customers only.

Budget Controls

For customers who use our budget control tools, we are changing the way which customers' budgets are calculated to allow greater flexibility and control over your account.

Previously, Betfair's budget controls were based on total deposits. These budgets will be based on your net deposits (deposits minus withdrawals). We believe this is a more flexible alternative and provides equal protection for customers who wish to use them.

If you currently have a gross deposit limit at Betfair, this will be automatically converted to a net deposit limit.

Full Track Names – AUS & NZ Horse Racing + Greyhounds Events from 13th July 2021

Please be aware that from Tuesday 13th July we will name all AUS & NZ horse racing and greyhound events using the full track name instead of the historically used abbreviations.

Please see the Developer Forum announcement [here](#) for full details
